1000 BOOKS
Before Kindergarten

My Name is _____

1 ... 100

Parents, have your child place a sticker over each circle each time you read a book with your child. Does your child have a favorite book they want you to read over and over? Count each time you read that book!

Every time you complete 100 books, bring your sheet to one of our three Youth Services desk to receive a prize.

Way to Go!
Your librarian will put a sticker here when you have finished 100 books!
