The Mishawaka-Penn-Harris Public Library's Books Before... program is a literacy initiative designed to help grow and motivate readers. Students in grades K-12 are invited to join our year-round Books Before... challenges, aimed at inspiring and cultivating a lifelong love of reading. Students not only experience the joy of reading but also earn prizes for their reading achievements.

## 200 Books Before... Middle School Grades: K-5

- Enroll by visiting the Youth Services desk at any MPHPL location or use the online registration form.
- Keep track of the titles of the books you read using the reading log and rate each book on a scale of 1 to 5 stars.
- Every time you complete 25 books, bring your reading log to the Youth Services desk at any MPHPL location to receive a prize.
- Participant names are placed in our bimonthly program guide as each level is achieved.

**Program Guidelines:** Participants may sign up during the summer before the school year starts. All formats of reading count: print books, digital books and audiobooks. Every book counts, and repetition is accepted!
